Thank you for your interest in At Your Service Ministries.

At Your Service Ministries is a new type of memorial, grief mentoring, and motivational speaking service for persons with developmental disabilities. It provides positive emotional support, celebration of life when an individual dies and gathers social support for the living to bring closure and move on.

At Your Service Ministries also provides death and dying workshops to help individuals prepare themselves for the loss of a loved one, friend or family member.

At Your Service Ministries

- Provides celebration of an individual's life and social support to bring closure and move ahead with living.
- Creates environment that bring families and communities together in a way that celebrates the life of the deceased and renews bonds of social support.
- Shows photos of the deceased at the memorial service and on the At Your Service Ministries website.

These services are for all individuals who live in Siskiyou and Shasta Counties.

Motivational speaking will be offered for high school and college graduations to encourage and empower individuals to meet new challenges in their lives with understanding and positive attitude.
