Laura Larson  
Executive Director

December 31, 2018

Dear Service Providers,

State of Emergency Billing guidelines for service providers in Butte County are no longer in effect starting January 1, 2019.

Providers must bill only for actual program and facility attendance and units of service. The Regional Center will no longer pay for fire-related absences. Providers must not bill the Regional Center for average program or facility attendance or average units of service.

Thank you for your efforts during difficult times. If you have any questions about this information, please contact me directly.

Sincerely,

Michael Mintline
