FAR NORTHERN COORDINATING COUNCIL ON DEVELOPMENTAL DISABILITIES

(Check Here)

- I wish that \$_____ of my charitable contribution to Far Northern Coordinating Council be used for client assistance (i.e., equipment, health care, special events) when funding would normally be considered outside the scope of the State of California's Regional Center Contract with our agency.
- I wish that \$_____ of my charitable contribution to Far Northern Coordinating Council be used for purchasing goods and services that do not qualify for regional center funding by the State of California. Contributions would be used without restriction other than to serve the interests of persons with developmental disabilities.
- I wish that \$_____ of my charitable contribution be used to support the annual Holidays are for Caring program. This program coordinated through Far Northern Regional Center provides gifts to people with developmental disabilities during the holiday season who may not otherwise receive gifts.
- I wish that \$_____ of my charitable contribution be used to support the FOCUS Film Festival. FOCUS Film Festival explores documentary and feature films which "focus" on and examine the complexity of the human experience: disability, culture, relationships, aging, lifestyle, and more. Festival events are held throughout the year in the Redding community and annually on the CSU campus in Chico.
