Spring 2021

Performance Report for Far Northern Regional Center

Every year, the Department of Developmental Services (DDS) contracts with regional centers in California to serve consumers and families. And, every year DDS looks at how well the regional centers are doing. This report will give you information about your regional center.

Last year, at Far Northern Regional Center (FNRC) we served about 8,040 consumers. The charts on page two tell you about the consumers we serve. You'll also see how well we are doing in meeting our goals and in fulfilling our contract with DDS.

At FNRC, we want to improve every year, do better than the state average, and meet or exceed the DDS standard. As you can see in this report, we did well in the following: Fewer consumers live in developmental centers, More children live with families, More adults live in home settings, fewer children live in large facilities (more than 6 people), and Fewer adults live in large facilities (more than 6 people). In addition, we will continue to promote John O'Brien's and Beth Mount's ***Five Valued Experiences***:

1. Each person has the daily experience of belonging in a variety of relationships and memberships.
2. Each person is respected as an interesting person, whose talents and fits are worthy of our attention and their gifts are not wasted but harvested.
3. Each Person shares the ordinary places of life with other ordinary people in ordinary neighborhoods.
4. Each person contributes. We support contribution in its many forms that of earning pay but also free exchange of talents and time. What is important is the giving, it is the belonging, it is the value of connection.
5. People choose what they want in their life. They voice their opinion, and are given the supports so that voice and their choices are heard fully and with total heart.

We hope this report helps you learn more about FNRC. If you have any questions or comments, please contact us!

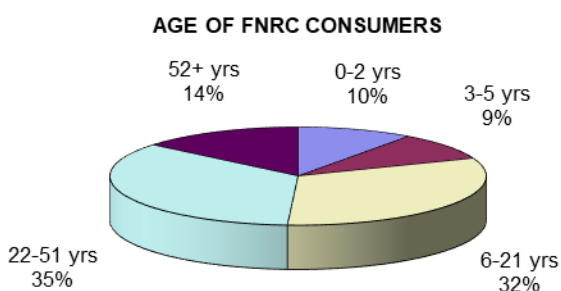

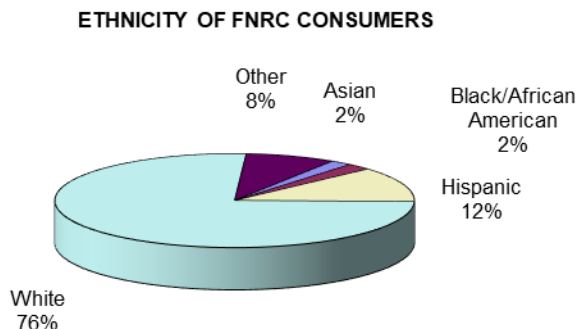

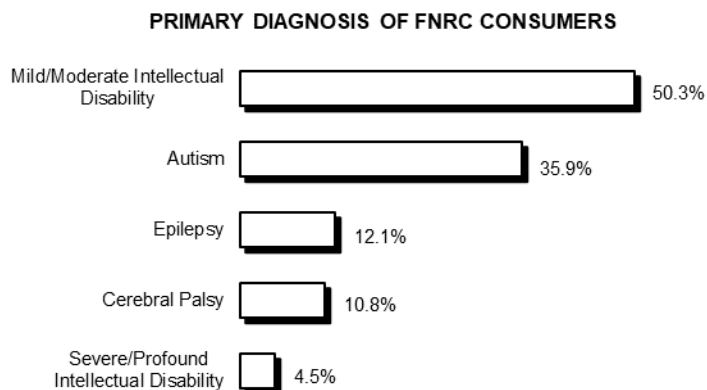

This report is a summary. For more information about the regional center, please go to: www.farnorthernrc.org or contact Melissa Gruhler at 530-222-4791
